

# Finding the Source of Permanent Good

During this talk you'll discover how:

- An understanding of God provides permanent good and makes it practical in our lives
- Practicing effective, fearless prayer maintains good through spiritual means

Suzanne Riedel is an international speaker and practitioner and teacher of Christian Science healing, from Denver, CO. Immediately healed in

an emergency in college, she found a closeness to God she'd been searching for which radically altered her view of spiritual possibilities. As a graduate student, a secondary teacher for 20 years, and a mother raising five children, she relied on Christian Science to heal everything from broken bones to financial crises, finding the practicality of understanding God's influence in their lives. Ms. Riedel is a member of The Christian Science Board of Lectureship.
